

The Bourn Brook Needs You!

If you are interested in helping with control of Himalayan balsam, we would love to have your help. There are various events over the summer. Most involve wading the brook (waders can be provided) so volunteers need to be physically able to get up and down the banks, but some work can be done from the bank. We also need spotters for the golf course sites. It would be helpful to know if you plan to come, so we will be sure to wait for you and make sure we bring waders in the right size. We can also let you know if a task changes or is cancelled at the last minute.

Date	Section	Who	Meeting Point	Time	Contact
Sat 9 th Jun	CRT (Westfield)	CRT	¹ Birds Farm, Barton	9.30am	VL
