Wildlife Gardening at Work Awards 2021

Guidance notes

The Wildlife Gardening at Work Awards celebrate the efforts made by staff to benefit wildlife at their workplace, whether that be at home or an office site. We want to hear about what you have been doing, what impact it has had and how colleagues have become engaged. Please use these notes to help you complete the entry form.

Your 30 Gardening Challenges

- Please tick off the challenges you have completed and provide photographs where possible.

Project details

- Please provide details of the tasks you completed. Which species did you plant or how big is your wildlife area?

Project impact

- Please tell us about the wildlife you have seen since you started the project. Has this been an increase? Have you seen different species?
- What impact has the project had on your staff? Have they been motivated to do more for wildlife?

Staff engagement

- Did they get involved in the planning stage?
- Do you have a regular group to discuss the project?
- How do you keep staff up-to-date with the project?
- Do you include features in your staff newsletter or website?
- Do staff use and enjoy the space?
- Are staff responsible for on-going maintenance?
- Do they monitor or record the wildlife they see around the site?

Moving forward

We would like to hear about what measures you have put in place to ensure the sustainability of your project. Are you maintaining it on a regular basis? Do you have any plans to develop the project further?

Photographs

Don't forget to take before, during and after photographs, and include descriptions of what is shown in each photograph.

Please compile any individual staff entries and send the completed forms and photos to corporate@wildlifebcn.org

Closing date: 25 June 2021

Thank you and Good Luck!
