Help keep Cambourne special

Please dispose of your litter in the bins provided or take it home with you. If you see any anti-social behaviour, please contact the police on 101.

Dogs are welcome on the reserve but must be kept under control at all times. Please clean up after your dog. Special bins have been provided at most of the entrances.

Angling is permitted at Lake Ewart only. A membership or day ticket is required from Cambourne Fishing Club and you must have a valid rod licence from the Environment Agency.

Access

Some paths are suitable for pushchairs and wheelchairs, but some can be uneven and muddy in places, especially in winter.

There are cycle paths and bridleways crossing the site in several places. Please be considerate of other users.
